**Special Rates for Hotel Accommodation in 2017**

This year again, hotel rooms in Braunschweig are available at a special rate for guests of the Technische Universität Braunschweig (TU). It is, however, not mandatory to rent a room in the below listed hotels. The guest will be charged the accommodation price by the hotel directly. As a rule, billing the TU with the amount in question is not possible. These special rates are not valid during times of important public events, such as trade fairs.

Braunschweig is equipped with a good public transportation system. Your hosts at the TU and the staff at your hotel will be glad to give you directions.
